<https://doi.org/10.29173/iq1080> for plagiarism (retraction made 10/2024).**

The editorial staff of the *IASSIST Quarterly* received a charge of plagiarism for this article in September 2024, from Mr. Shadrack Mutisya, a former subordinate of Mr. Mankone. Upon receiving a draft of the paper from Mr. Mutisya, editorial staff compared its similarity to the published article using the tool iThenticate and found a 94% level of similarity between the two. Mr. Mankone has admitted to our editorial staff that he submitted his subordinate's paper as his own without crediting Mr. Mutisya. Co-authorship being unsatisfactory to Mr. Mutisya, the *IQ* is retracting the article altogether. Notice has been sent to the journal's indexing services. This being Mr. Mankone's only paper in the *IQ*, this is the only paper affected. Mr. Mankone has been permanently banned from publishing with the *IQ*.
